

inward processing (AV, FreierVerkehrAktVeredelUmwandlung)

This BOX object is used to transmit information on a customs declaration for inward processing.

In some fields, the note "**Only for Supplementary Declaration by Third Parties**" is given. Only use these fields if the simplified customs declaration was made by another declarant and you therefore do not have the findings!

All information in this document is purely informative and does not constitute instructions or templates for submitting customs declarations.
The declarant is solely responsible for the content of a customs declaration. All information is provided without warranty.
