

Notification regarding assessment for a Passar import declaration (CH) (PassarImportAssessment)

This BOX object is used to forward a notification regarding the assessment for a Passar import declaration.

Swiss Customs may issue this notification twice: once on a provisional basis and once on a regular basis. The element ImportOperation/Assessment/Type indicates the specific type.

All information in this document is purely informative and does not constitute instructions or templates for submitting customs declarations.
The declarant is solely responsible for the content of a customs declaration. All information is provided without warranty.
