

application for cancellation of export (EC, AntragStornierungAusfuhr)

The message is used by the participant to transmit an application for a declaration of invalidity of the export declaration. A request for a declaration of invalidity can be made by the applicant or by his direct representative, provided that the representative has already drawn up the original application. It is not possible to apply for a partial declaration of invalidity. Applications for a declaration of invalidity after the export certificate has been issued will generally be rejected.

Der Antrag auf Stornierung kann mit dieser Nachricht gestellt werden, wenn bereits eine Annahme der "Anmeldung zur Ausfuhr" durch ATLAS erfolgt ist und die Freigabe zur Ausfuhr erteilt wurde. Sollte noch keine Annahme der "Anmeldung zur Ausfuhr" durch ATLAS erfolgt sein, kann die Stornierung der "Anmeldung zur Ausfuhr" in ZODIAK über die Objekte EV (vollständig) bzw. EU (unvollständig) mit der Objekt-Action "CANCEL" erfolgen.
The application for cancellation can be made with this message if ATLAS has already accepted the export declaration and the release for export has been issued. If ATLAS has not yet accepted the export declaration, the export declaration can be canceled in ZODIAK via the object EG with the object action "CANCEL".
