

WKS Control Decision Notification SumA (EXSCTL, ControlExitSumDecWKSDE)

ATLAS communicates control decision notifications about an ASumA with the message E_EXS_CTL. The BOX passes this control decision notifications on to you with this BOX respond.

One or more control measures that were ordered for an ASumA position are communicated. The message can be transmitted several times for an ASumA until a StatusExitSumDecWKSDE message is sent. This is the case if control measures have been ordered for an additional item or control measures that have already been ordered and communicated have been changed by the customs officer.
