

cancellation information (SS, SumAStornierungsinformation)

The "cancellation information" is used to transmit cancellation information after the following measures have been taken by the customs administration:

- Cancellation of a SumA process
- Cancellation of at least one item of a SumA process
- Reduction of the registered number of packages in a partially completed item, so that the number of items still open is "0".

All information in this document is purely informative and does not constitute instructions or templates for submitting customs declarations.
The declarant is solely responsible for the content of a customs declaration. All information is provided without warranty.
