

simplified declaration (VZ, FreierVerkehrAktVeredelUmwandlung)

This BOX object is used to declare to customs for clearance for free circulation. In the form described here, it is intended as an individual customs declaration for the simplified procedure. After a simplified declaration, a supplementary customs declaration (EGZ) must be made for billing purposes.

In some fields, the note "**Only for Supplementary Declaration by Third Parties**" is given. Only use these fields if the simplified customs declaration was made by another declarant and you therefore do not have the findings!

All information in this document is purely informative and does not constitute instructions or templates for submitting customs declarations.
The declarant is solely responsible for the content of a customs declaration. All information is provided without warranty.
